Vidhyadhara Foundation is organizing the Dasara Special Spell Bee Camp 2026 from 12th October 2026 to 20th October 2026 with the objective of making students' Dasara holidays meaningful, productive, and educational. The camp is designed to encourage young learners to develop a strong foundation in English vocabulary, spelling, pronunciation, and communication skills.

As part of this initiative, students will be introduced to 1,000 carefully selected English words to improve their vocabulary and spelling abilities. Through regular practice and learning activities, students will develop their language skills, improve spelling accuracy, enhance their memory, and build confidence.

The camp will conclude with a Spell Bee Competition, providing students with an opportunity to demonstrate their learning and compete with their peers. To appreciate and encourage their efforts, exciting prizes will be awarded to the top three performers.

Through this initiative, Vidhyadhara Foundation aims to promote educational excellence, encourage healthy competition, and inspire students to become confident learners. Let this Dasara be a celebration of knowledge, learning, and achievement.

Jai Bheem Movie:

Under the initiative of Vidhyadhara Foundation, foundation students watched the movie Jai Bhim on a projector on 19th October 2026. The screening aimed to create awareness among students about social justice, equality, human rights, and the importance of education. The movie inspired students to understand the values of justice, dignity, and equal opportunities for everyone.

Speech by the President of the Foundation (Pole Rambabu):

The President of Vidhyadhara Foundation, Mr. Pole Rambabu, addressed the students and highlighted the importance of education, discipline, equality, and social responsibility. He encouraged students to develop good values, work hard towards their goals, and become responsible citizens. He also emphasized the foundation's commitment to supporting students' educational and personal development.

Speech by the General Secretary of the Foundation (oath of thanks):

The General Secretary of Vidhyadhara Foundation delivered the vote of thanks, expressing sincere gratitude to the President, guests, volunteers, students, and everyone who contributed to the successful completion of the programme. He appreciated the students' active participation and thanked all the members for their valuable support and cooperation.

Conclusion:

Vidhyadhara Foundation successfully organized the Dasara Special Spell Bee Camp 2026 from 12th October 2026 to 20th October 2026 with the objective of making students' Dasara holidays meaningful, productive, and educational. The camp provided students with an opportunity to strengthen their English vocabulary, spelling, pronunciation, memory, and communication skills through learning and regular practice of 1,000 carefully selected English words. The Spell Bee Competition at the end of the camp encouraged students to demonstrate their learning, develop confidence, and participate in healthy competition. Prizes for the top three performers served as an additional motivation to achieve excellence.

As part of the camp's educational and social awareness activities, Vidhyadhara Foundation also organized a Jai Bhim movie screening on 19th October 2026 using a projector for the foundation students. The movie created awareness about social justice, equality, human rights, dignity, and the importance of education. It inspired students to respect every individual, stand against discrimination, and understand the values enshrined in the Indian Constitution.

Overall, the Dasara Special Spell Bee Camp was a meaningful initiative that combined academic development with social awareness and value-based learning. Through these activities, Vidhyadhara Foundation aimed not only to improve students' language skills but also to nurture responsible, confident, and socially conscious individuals. The foundation sincerely appreciates the participation and cooperation of all students, volunteers, and supporters who contributed to the programme. It remains committed to organizing more educational, motivational, and socially meaningful activities for the benefit of students and society.
